

Rules and Regulations for Water and Sewer Tap In Permit

Anyone who starts or continues to work under this permit after the expiration date will be guilty of a minor misdemeanor, will be named as a criminal defendant in court, and will be subject to a criminal fine of up to \$100.00

An approved Tap-In Permit authorizes a property owner or consumer to connect to and use water from the water system as permitted In the City's Rules and Regulations and as restricted by the City from time to time and In a like manner and with the same privileges as other consumers connected to the water system. This Permit also authorizes use of the sanitary sewer system in accordance with Ordinance 95-0-808 and Ordinance 95-0-809. Permits are valid only for the property shown on this application. Transfer or assignment of a Permit is prohibited.

Inspection of all work is required and should be coordinated with Suez Water, the operator of the City's Water and Sanitary system. Telephone number for Suez is 937-233-3292
