## FOR IMMEDIATE RELEASE

# SANITARY SEWER WORK TO TEMPORARILY CLOSE PORTION OF CARRIAGE TRAILS PARKWAY

**HUBER HEIGHTS, OHIO** - A portion of Carriage Trails Parkway will be closed for 2 to 3 weeks starting on Wednesday, June 4, 2025 at 8:00 am and continue for 2 to 3 weeks.

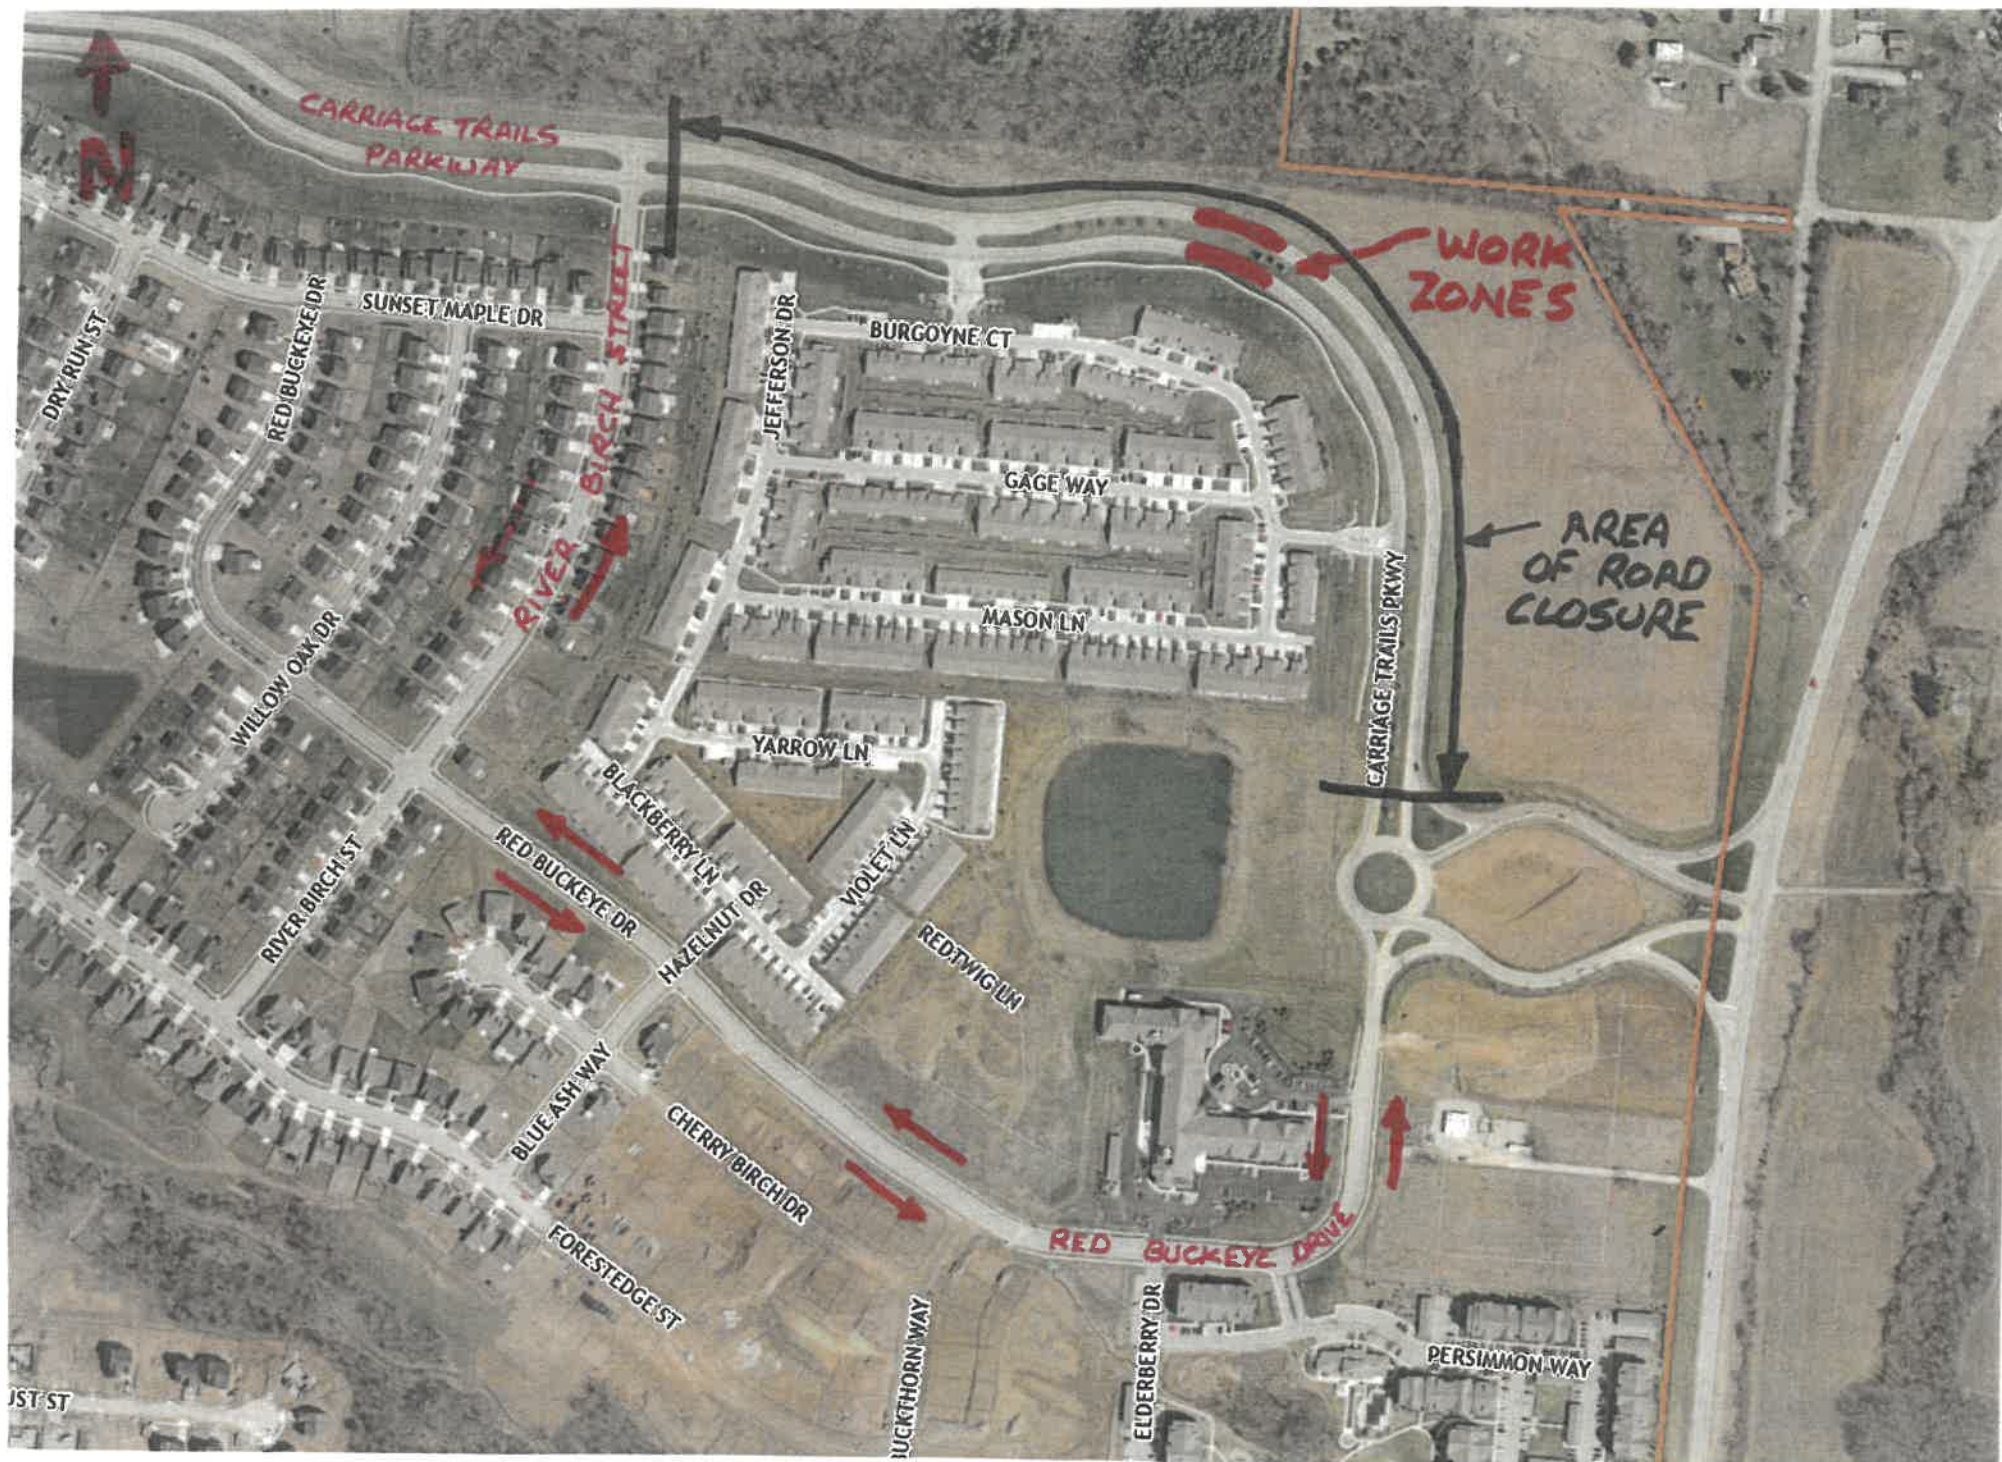

The closure will occur on Carriage Trails Parkway between the Brandt Pike roundabout entrance and River Birch Street. The road will be closed to install a sanitary sewer pipe across both lanes of the boulevard.

The eastbound lane is estimated to be closed first for approximately 7 to 10 days, with the westbound lane remaining open. Then, the eastbound lane will be opened up and the westbound lane will be closed for the following 7 to 10 days. The lanes will be reopened sooner if the installation and clean-up of the crossing is completed before the estimated time.

Traffic will be detoured using River Birch Street and Red Buckeye Drive during the closure.
